\$1,083,197,474

FY17 Estimated Funding for HS, EHS, and EHS-Child Care Partnerships in CA

121 Head Start programs

152 Early Head Start programs

Photo: A Head Start parent from Oakland, California with her child.

"I was a single mother of three and had my first child at fifteen. I had not completed high school. Through the support of my Head Start Director, I volunteered at the center and went back to school. I became involved in my children's education and our community. I would not have broken the cycle of poverty and uneducated women in my family if it had not been for Head Start."

Yolanda B.
Parent
Pico Rivera, California

The Head Start Advantage

Head Start children **reduce their vocabulary deficit by 38%** during the program year.

Head Start children are **31% less likely to have been held back** a grade.

Head Start children are **19% less likely to smoke** as adults.

High quality birth-to-five programs, like the combination of EHS and HS, **pay off 13% per year.**

California's Head Start Workforce

About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.
