"I found myself divorced with two children. I wanted to go back and get my college degree, but limited funds and unaffordable/unreliable daycare was a real problem. Head Start staff came to my door one day recruiting for the program. By enrolling my children in Head Start, I was able to attend college which helped me to later obtain a management position."

About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.
