"I enrolled my son in Head Start for the social interaction he was not getting from being home with me during the day. Head Start has motivated me to open my own in-home childcare. Today, my son is excelling in school, I have a successful business, and I provide transportation for students in Head Start who may not have any other transportation to Head Start."

About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.
