"Parenting, going to school, and working two jobs has not been easy. Head Start supported my two little ones and myself as I continued my studies. We didn't have the means to provide my daughters with early education at home. Head Start programs fully support parents and provide kids with the most beneficial piece of education they need in their early lives."

## About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

\*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.

For citations and other state fact sheets, please visit [www.nhsa.org/Fact-Sheets](https://www.nhsa.org/Fact-Sheets)

Our mission is to coalesce, inspire, and support the Head Start field as a leader in early childhood development and education.
