"Head Start gave me the support I needed as a young mother with my first child. [My home visitor] connected me to resources such as WIC and helped me connect with other mothers that had children the same age as my child... I was so inspired by what I had learned from her that I went to college and I am now a home visitor."

About NHSA

The National Head Start Association is a nonprofit organization committed to the belief that every child, regardless of circumstances at birth, has the ability to succeed in life. NHSA is the voice for more than 1 million children, 200,000 staff and 1,600 Head Start grantees in the United States.

For more information, please contact us: [go.nhsa.org/Contact](https://www.nhsa.org/Contact).

*Eligible is defined as children from birth to age five who are from families with incomes below the poverty level, are homeless, and/or receive public assistance. Foster children are eligible regardless of their foster family's income.

For citations and other state fact sheets, please visit www.nhsa.org/Fact-Sheets

Our mission is to coalesce, inspire, and support the Head Start field as a leader in early childhood development and education.
