

## Migrant and Seasonal

### PROVIDERS<sup>1</sup>

Total Number of Grantees/Delegates: 62

### ACCESS

Total Funded Enrollment<sup>1</sup>: 32,204

Homeless Children Served<sup>3</sup>: 978

Children with Disabilities Served<sup>3</sup>: 2,332

Pregnant Women Served<sup>3</sup>: 207

Families Receiving Family Services<sup>3\*</sup>: 16,040

\*Family services include mental health care, dental health care, housing assistance, parenting education, smoking cessation, job education and more.

Research on Head Start has shown that participating families are more likely to invest time in literacy activities with their children, both while enrolled and years after their children graduate from the program.<sup>5</sup>

### QUALITY

Head Start and Early Head Start programs engage in continuous quality improvement efforts. Among other notable accomplishments, the national percentage of Head Start teachers with Bachelors degrees has increased from 38% to 72% since 2007.

Over Head Start children's lives they are less likely to need special education services<sup>6</sup> or engage in unhealthy behaviors<sup>7</sup> and are more likely to achieve success in school and in life.

### ECONOMIC IMPACT

Fiscal Year 2014 Enacted Funding<sup>12</sup>: \$332,402,268

Total Jobs<sup>3</sup>: 13,582

Average Salary for Classroom Teachers with a BA<sup>1</sup>: \$21,669

The Head Start investment pays off: for each \$1 invested, Head Start yields an annual ROI ranging from 7-9%.<sup>8</sup>

### SEQUESTRATION

Funding Cut Due to Sequestration<sup>4</sup>: \$17,109,047

Children Unserved Due to Sequestration<sup>1</sup>: 5,609

71% of

Americans agree that to ensure low income children are successful, we have to also invest in their parents' economic well-being, and 52% believe that programs are most effective at moving families out of poverty if they are targeted to parents and children together to help each get the education and training they need.<sup>10</sup>

Head Start is the original two-generation model, and over the past fifty years comprehensive health, education, and self-sufficiency supports for children and their parents have helped thirty-two million families achieve success in school and in life.
